

# Rotary Run for Life SPONSORSHIP PACKAGE

**Rotary**  
Clubs of Parkland After Dark,  
Spruce Grove and Stony Plain

# WHAT WE DO

As leaders in humanitarian services, the Rotary Clubs of Stony Plain, Spruce Grove and Parkland After Dark, in partnership with the Coordinated Suicide Prevention Program, organize the Rotary Run for Life. The committee ensures that 100% of the funds raised are used to support suicide prevention and mental wellness programs in the region. Since 2004, funds raised are helping to reduce stigma, deliver suicide prevention training, increase awareness, and organize support groups. Your generous sponsorship will help us continue this important work.
